

GREAT VICTORY
FOR ROOSEVELT

President Receives Unprecedented Pluralities in All Northern States.

THE CONGRESS REPUBLICAN

Majority in House of Representatives at Least Fifty. All the doubtful States in Republican Column. Even Missouri is Shaky.

New York, Nov. 8.—At 9:10 p. m. President Roosevelt received the following message from the New York World: "Indications are that the country has given an overwhelming vote of confidence to the president and his administration."

The New York World says: Returns to 8:30 p. m. indicate Roosevelt has 235,000 more votes than did Parker. The New York Journal says Parker has not received a message of congratulation to President Roosevelt.

New York World concedes election of President Roosevelt to the republican house of representatives with probable majority of 25 to 30.

New York, Nov. 8.—It is conceded that the democratic headquarters that Roosevelt has carried every doubtful vote in the country.

New York, Nov. 8.—Associated Press says: Returns at hand show electoral vote to be for Roosevelt; 151 for Parker.

LARGEST VOTE EVER CAST

Roosevelt's Indicated Plurality Is 1,530,000. Missouri Claimed

New York, Nov. 9.—With the election returns still incomplete, the plurality of President Roosevelt in the nation, according to all indications tonight, will exceed 1,500,000, the greatest plurality ever given an American candidate.

The nearest approach to this vote was in 1880, when McKinley received a plurality of 850,000, and in 1872, when Grant received 702,991 plurality.

Tonight the interest centers in Missouri and Maryland. Late returns indicate that the former state is in the republican column, so far as presidential electors are concerned, but that in W. F. Fisk, the democratic candidate has been elected governor. In Maryland the presidential vote will probably be cast for Roosevelt.

The "solid south" was broken by the defection of Missouri, this section of the country usually having three-fourths of the democratic column. The figures tonight show that twelve states, with 133 votes, for Parker, Roosevelt having carried all the northern states, except, in fact, and tonight he has 343 electoral votes.

The banner state is Pennsylvania, where Roosevelt's plurality will reach 85,000.

Next come Illinois, where Roosevelt polled 225,000 more votes than did Parker.

Ohio gave Roosevelt 200,000 and New York 174,000.

Judge Parker carried Greater New York by nearly 41,000 votes.

Roosevelt ran ahead of his ticket in many localities, notably in Massachusetts, where he secured a plurality of 5,000 votes, while the republican candidate for governor was defeated by 2,000.

REPUBLICAN CONGRESS

Washington, D.C., Nov. 8.—President Roosevelt is assured of co-operation of a republican congress. The present republican majority in that body is 34, and there need be no surprise if this figure is almost doubled, and it is reasonably certain to reach a majority of at least 50. In practically all districts republicans have held their own, while in some significant instances the democrats have lost.

Most surprising of all reports, however, come from the Fifth and Fifteenth Missouri districts, both strongly democratic and formerly represented by Mr. C. W. Townsend, chairman of the democratic congressional campaign committee. The republicans claim to have carried both districts. In light of these reports the republican majority of 30 is considered a conservative estimate.

ARKANSAS

Little Rock, Nov. 8.—All the democratic candidates for congress were defeated.

CALIFORNIA

San Francisco, Nov. 9.—From 1235 precincts out of 2345, outside of this city, Roosevelt gets 106,127; Parker, 59,976. The same precincts in 1900 gave McKinley 59,976; Bryan, 66,791.

Roosevelt has 15,000 majority in San Francisco.

In the next California legislature the republicans will have an overwhelming majority in both the senate and assembly, and will elect the next United States senator.

From 247 out of 546 precincts in the First congressional district, Gillette, rep., receives 12,219; Cammette, dem., 8315.

In the Second congressional district 255 out of 306 precincts, give McKinley, rep., 17,323; Bell, dem., 16,596.

From 1495 precincts out of 2245, outside of San Francisco, Roosevelt received 134,431; Parker 55,872. Same precincts gave McKinley 109,844; Bryan 80,107.

COLORADO

Denver, Nov. 8.—Democratic state committee claims Colorado for Parker. Fairley, chairman republican state committee announces that Roosevelt has carried the state and that Governor Peabody is safe, though his vote will fall short of that for Roosevelt.

Cripple Creek, Nov. 8.—Chairman Republican county committee claims Teller county has gone republican by 1500.

Denver Republican claims Denver county for Peabody for governor by 5000. The same county went 8000 for Bryan in 1900.

Denver, Nov. 8.—Estimates at midnight from scattering and incomplete returns indicate a plurality of over 10,000 for Roosevelt in Colorado. The result as to congressional and state officers is in doubt, owing to the large number of scratched ballots that have not yet been counted. In 133 precincts outside of Denver, Peabody received 10,063 votes, and Adams 10,035 with 9,168 scratched ballots uncounted. The scratched ballots in the entire state are estimated at over 49,000. The scratched ballots in Denver which have been counted run in favor of Adams in the ratio of about 2 to 1. On this basis the democrats claim that Adams is elected governor by 7,000 to 8000 plurality, with the probability that the remainder of the democratic state ticket is also elected. State Chairman Milton Smith will not concede that Roosevelt has carried the state and said:

"Adams' plurality will be not less than 15,000."

Denver, Nov. 10.—Indications now point to Adams' being elected governor. Republicans elected state officers except Brooks.

DELAWARE

Wilmington, Nov. 8.—Roosevelt has carried the state by about 5000, and the republicans elect the governor and congressmen. The legislature will be overwhelmingly republican.

INDIANA

Indianapolis, Nov. 8.—One hundred precincts outside of Marion county give Roosevelt 11,110; Parker 6962. In 1903 some precincts gave McKinley 10,796; Bryan 7413—republican gain of 1665.

From 180 precincts outside of Marion county, Roosevelt received 19,453; Parker, 11,535—a republican gain of 2895.

Indianapolis, Nov. 8.—From reports received from every one of the 92 counties in the state it is apparent that the republicans have carried the state for the national and state tickets by 50,000.

ILLINOIS

Chicago, Nov. 8.—From 1100 precincts out of 1253 Roosevelt received 179,044; Parker 84,246.

Indications that Foster, dem., is elected by 800 in Fourth congressional district, which usually gives 8000 majority.

Chicago—Seventy-eight precincts in this city give Deneen, rep., for governor, 96,254; Stringer, dem., 54,830.

Returns from the first 100 precincts indicate that Deneen's plurality in Chicago will be 85,000.

Chicago—Returns from 680 precincts indicate that Roosevelt's plurality in Chicago may reach 110,000.

The republican state committee claims that Roosevelt has carried Cook county by 90,000 and the state by 140,000.

The same figures are given for Deneen for governor.

IOWA

Des Moines, Nov. 8.—Returns are slow in coming in, but indications on well distributed returns indicate that Roosevelt's plurality will be 125,000 and the entire state ticket will have about the same number.

IDAHO

Boise, Idaho, Nov. 8.—Returns for Idaho indicate that Roosevelt carries the state by 15,000 to 20,000.

KENTUCKY

Louisville, Nov. 8.—With one-third of Kentucky's 1893 precincts reported at 1 o'clock, the vote indicates a majority in the state for Parker of from 12,000 to 18,000.

MARYLAND

Baltimore, Nov. 7.—In this city the indications are that there may not be a difference of 100 votes between the democratic and republican national tickets.

Chairman Hanna, of the republican committee, claims that Maryland has undoubtedly gone republican.

Maryland is doubtful.

Baltimore—Fifty out of 323 precincts in this city give Parker, 6068; Roosevelt, 5977.

MASSACHUSETTS

Boston, Nov. 8.—The Globe says that Douglas, dem., is elected governor by a plurality of 25,000, and Roosevelt has carried Massachusetts by 80,000.

MICHIGAN

Detroit, Nov. 8.—Republican state committee claims returns thus far received from the state indicate Roosevelt's majority from 125,000 to 135,000.

Roosevelt has carried Bay county by 2305, an increase of 1381 over majority for McKinley in 1900.

Detroit, Nov. 8.—Michigan today was the scene of a republican landslide. Roosevelt and Fairbanks have carried the state by a large majority, estimated at from 100,000 to 150,000.

MINNESOTA

St. Paul, Nov. 8.—Roosevelt received a record-breaking plurality in Minnesota, going far beyond the McKinley margin of 71,000 four years ago. On the face of the returns so far received the republican electoral ticket will have a plurality of over 100,000.

ceived the republican electoral ticket will have a plurality of over 100,000.

MISSOURI

St. Louis, Nov. 8.—At 1 o'clock results of the election in Missouri and in St. Louis were in doubt. Both sides claim a victory. The democratic state committee claimed the state had been carried by a majority of 35,000 and St. Louis by 5000.

MONTANA

Butte, Nov. 8.—Montana is for Roosevelt, the returns at 11 o'clock indicating a gain by the republicans of over 30 per cent over four years ago. Governor Toole, dem., is re-elected.

NEW JERSEY

Trenton, Nov. 8.—One hundred and three precincts give Stokes, rep., for governor 43,304; Black, dem., 32,307. The same precincts in 1900 gave Murphy, rep., 18,359; Seymour, dem., 14,822.

Trenton, Nov. 8.—Scattering returns show general republican gains and indicate that Roosevelt has carried the state by a large majority. Senator Stokes, rep., for governor, is running behind Roosevelt.

Newark, Nov. 8.—New Jersey was carried by the republicans by a bigger

THE ELECTION
IN ARIZONA

Incomplete Returns Indicate the Election of Mark Smith by 1,000.

SHERIFFS TIE IN MARICOPA

Safford Carried by the Socialists. Cochise gave Mark Smith Big Majority and Elected Democratic County Ticket.

SPECIAL TO THE ARIZONA SILVER BELT:

Phoenix, Nov. 9.—P. A. Fowler's majority in Maricopa county is 219.

No definite returns yet from any other county, but republican territorial committee concedes election of Mark Smith by at least 801.

The successful candidates in Maricopa county are:

Councilman—James E. Bark, rep.
Assemblyman—L. R. Kruger, dem.
Watson Pickrell, rep.; M. O. Swan, ford, dem.; J. H. Pomeroy, dem.
Treasurer—Carl Hayden, dem.
Recorder—C. F. Leonard, dem.

mate of 400 as Mark Smith's plurality has been cut down by later returns to 292 in Graham county.

J. M. McCollum, of the Register, received a telephone message from J. J. Birdie, of Safford, informing him that Mark Smith's plurality in Graham was 299, with five small democratic precincts and one small republican precinct to hear from. Complete returns are expected to swell Smith's plurality in Graham county to 400.

Chas. M. Shannon, of Clifton, says Mark Smith has a plurality in the territory of 1000.

Cochise County

Bisbee, Nov. 9.—The Review says: Returns from the several counties indicate that the democrats have carried the legislature and will have a working majority in both houses.

Bisbee, Nov. 9.—The Review says: Indications are at the time of going to press that the majority of the democratic ticket is elected and that Mark Smith's majority in the county will be close to 500. Douglas gave a good account of her vote for Mark Smith, and his majority in Bisbee will be greater than that of Wilson, dem., two years ago. Returns from the outlying precincts indicate that Riggs, the democratic candidate for supervisor, is receiving the vote of the cattle-men.

Stewart, dem., has been elected sheriff.

Frank Hare, dem., is elected recorder.

J. N. Gaines, dem., for treasurer, is elected by a large majority.

Steve Roemer, dem., is running ahead of his ticket throughout the county, and is elected by a large majority.

Frank Goodbody, dem., is elected probate judge, receiving large majorities at Douglas, Bisbee, Naco, Tombstone and Benson.

Indications are that Riggs and Taylor, both democratic candidates for supervisor, have been elected.

Howe and McGowan, on the democratic ticket, are defeated at this hour, before all the votes in Douglas and Bisbee have been counted. Beyond these two candidates the entire democratic county ticket is elected, including both supervisors.

Pinal County

Florence, A. T., Nov. 9.—Early this morning it looks as if the entire democratic ticket had been elected. In the new camps along the Gila river, at the Twin Buttes, Toy, Kelvin and other points along the railroad to Dudleyville, an unsuspected democratic vote was polled.

While returns are yet far from complete, it being impossible to communicate with many points in the county before tomorrow or the day following, still there is the utmost confidence in the county seat tonight that the full ticket will go through.

At 2 o'clock this morning there is certainty of a majority from the reports received of 150 for Mark Smith.

Piorance, Nov. 8.—The county of Pinal gives Smith 130 majority, a gain over 1902 of 119.

Santa Cruz County

Nogales, Nov. 9.—Fowler has carried the county by 78 plurality. The republican county ticket has been elected.

Coconino County

Flagstaff, Nov. 8.—Fowler will have 40 majority, a loss of 90 over 1902.

Mohave County

Kingman, Nov. 8.—Smith's majority is 130, gain of 113 over 1902.

Yavapai County

Prescott, Nov. 8.—Yavapai county will go for Fowler by 250 plurality, a loss of 47 in two years.

The fourth biennial session of the grand lodge of Arizona and New Mexico, A. O. U. W., will convene in Tucson on Nov. 15. Globe lodge No. 15 will be represented by its master workman, Patrick Rose, and Chas. T. Martin, P. M. W. The session promises to be a very interesting one, as questions of much importance to the order in Arizona and New Mexico will be presented for discussion and action.

We are pleased to learn that A. G. Smith, cashier of the Gila Valley Bank & Trust company, who has been sick for several weeks with typhoid, has so far convalesced that he was able to leave the hospital several days ago and is now at his home in Clifton, where he will remain until he regains his strength.

No election returns were received from Pine or Gisela in this evening's mail. W. B. Lewis, the stage man, informs us that the mail left Pine on Tuesday before the ballots had been counted and no election news from either Pine or Gisela had reached Payson at 6:00 o'clock Wednesday morning when the stage left there coming south.

Graham County

Clifton, Nov. 9.—Reports received here up to 1 a. m. indicate that the entire democratic ticket has been elected.

THE ELECTION IN GLOBE.

Democratic Candidates Successful, With Two Exceptions.

The election in Globe, by reason of the increased vote, was one of the liveliest ever held here. From 8:00 a. m. until the polls closed at five in the afternoon a throng of from one hundred to two hundred men were congregated about the court house where the voting was done.

The candidates and their workers were active in their efforts to secure votes, and the two big busses and several carriages were employed to bring voters to the polls.

Voting proceeded quietly but steadily all day, and aside from a harmless mixup between two Mexicans, there was no disturbance, although several men were noticed under the influence of liquor.

The total vote cast here for delegate to congress was 781 and at the polling place in North Globe 164, making 945 as the vote on delegate in Globe precinct, the registered vote here being 1,325.

There was much uncertainty as to how the vote was going until in the afternoon, when the democrats grew confident of success, and offered to bet two to one on Shanley for sheriff.

The count began shortly after 7:00 o'clock, and very soon indicated who the winners would be, and the majorities grew steadily until the count was finished between three and four o'clock Wednesday morning. Mark Smith and Geo. Hunt each received 431 votes here, but in North Globe Smith received 89, ten more than Hunt. Shanley's vote was large at both polling places, as was also that of Sultan for surveyor.

The most remarkable vote, however, was that given to Hinson Thomas for justice of the peace, aggregating 582. Fisk, rep., for recorder, was
